Time format from initiation is single digit, single digit, double digit.

As the minute column goes into double figures i.e. 10, the column shows both digits.

The number columns are coloured grey until they are in play.

i.e. minutes column is grey up till the seconds column goes past 59.

Please Align all elements from the baseline  
and close up wait time so it is the same  
height as the time.

Please close up this  
gap to 20px
